

**Equipment Report**  
**2009/2010 Season**  
**Pacers Speed Skating Club of Ottawa**

We are in very good shape from a skate inventory perspective. We always had spare skates whenever a new skater showed up or a skater needed to move to a larger size.

We loaned 8 pairs of Zandstra skates to Kingston and they were returned at the end of the season.

Current skate inventory:

- 125 Pairs of Bont Short Track Skates (there might still be a few pairs out there that were not yet returned after the season)
- 17 pairs of Zandstra skate
- a couple of boxes of the old leather skates

In 2009/2010 we purchased:

- About 10 pairs of Bont Short track skates
- 1 new jig

For next season, our new equipment requirement would be:

- A couple of new skates (one of each size 31, 33, 36, 38, 39) to complement our inventory, especially if we fill up all groups
- 10 sets of blades (to replace some broken and bad blades)
- 6 new stones for the sharpening kits

I would like to thank all the people who helped with skate fitting throughout the season (especially when I was not there or showed up late).

Thank you, and “yes” I’ll be back next year.

Rocky
